

Amended Self-certification on tax residency for CRS

Name of client	
Birth number / Date of birth	

For the purposes of international exchange of tax information pursuant to the Act no. 164/2013 Coll., on international cooperation in tax administration matters, as amended, and based on global standard CRS (Common Reporting Standard) issued by OECD, I hereby declare the following additional information relating to my financial account (or accounts) at Equa bank a.s. (further referred to as the „Bank“):

Country of Tax residency	
Foreign TIN (Tax identification number issued by the country of tax residency)	<input type="checkbox"/> No Tax identification number has been assigned to me in my country of tax residency.
Explanation of potential discrepancy between the country of tax residency and your addresses registered at the Bank*	

**In addition to the above stated explanation you may also enclose relevant documents proving your relationship to the declared country of tax residency (e.g. lease agreement, employment contract etc.).*

*Country of tax residency may also be proven by **Tax residency certificate** issued by competent authority of respective country (e.g. local Tax office in case of the Czech Republic) – no further explanation is necessary in such case.*

Tax residency certificate is enclosed

Other attachment is enclosed

I hereby declare that the above stated information is true and complete and I will notify the Bank in case of any further change with respect to the above stated information.
